

GOVERNANCE GROUPS

Members will be organized into three (3) Governance Groups, determined by the percentage paid by the library of the total SWAN fees. Data is taken from the “% of Total” column of the “SWAN Annual Fees Chart” adopted each December. Any changes to a library’s governance group status will take effect at the start of the fiscal year for which the “SWAN Annual Fee Chart” is adopted.

Governance Group A 0.00% - 0.99%
Governance Group B 1.00% - 1.99%
Governance Group C 2.00% - over

Governance Groups will:

1. Meet minimally on a quarterly basis to discuss SWAN issues, products, proposals, and policies.
